

Alpha/Beta Peel

Fight the signs of aging with the combination of Lactic and Salicylic acids. This unique blend of alpha and beta acids will not only effectively exfoliate the skin but also even complexion. This is the perfect rejuvenator for all skin types assisting in lasting results.

Client Preparation:

A full client consultation is necessary before treatment. Have client complete and sign the peel consent form. Verbally repeat contraindications before proceeding with peel. Provide the client with hair and eye protection.

Application:

Cleansing:

1. Pre-cleanse with **Vitamin Veil Cleanser**, cleanse in circular motions, rinse thoroughly.
2. Cleanse with **Lipid Replacing Cleanser**, cleanse in circular motions, rinse thoroughly and pat skin dry.
3. Place a thin layer of vaseline on the lips and nasolabial junction with a cotton swab.
4. Take a minute to check the skin under the magnifying light, looking for any skin irregularities that might have been hidden by make-up during the initial evaluation.

Treatment:

1. Dispense 3 ml of peel solution into portion cup.
2. Give client hand held fan to hold and direct at face.
3. Using a cotton 4x4 or fan brush carefully dip into solution. Press onto the side of the cup to remove excess. Apply one layer section-by-section beginning at the forehead, cheeks, nose, chin and ending with the upper lip.
4. Leave on for 5 to 20 minutes. Time will vary based on experience with this treatment's response, the client's skin or the current skin's condition.
5. Gently remove peel solution with a soft 4x4 gauze.
6. Keeping eyes covered, lightly mist face with 5 to 6 sprays of pK Peel Neutralizing Spray, making sure to completely cover the treated area.

Completing Treatment:

1. Remove all product with a soft 4x4 gauze and cool water. Pat dry.
2. Apply pK Peel Neutralizing Spray, again to the treated area.
3. Rinse with cool water and pat dry.
4. Apply Vitamin C Reversal Serum and gently massage into skin in small circular movements.
5. Apply Circadia Post Peel Balm.
6. Finish by applying Light Day Sunscreen Broad Spectrum SPF-37.
7. Advise client on at-home care program and sun protection.
