

Chocolate & Champagne Facial

Indulge your senses with the aroma of sweet chocolate as the natural anti-oxidants and nourishing elements of raw cocoa powder add protection and boost healing for any skin type. The gentle exfoliation of natural papaya and pineapple enzymes will effectively polish and prepare the skin for the revitalizing Oxygen treatment. Relax as the effervescence of pure oxygen boosts circulation, stimulates cell turnover and leaves the complexion hydrated and revitalized.

Client Preparation:

Have client read and sign consent form. Verbally go over contraindications with the client. Ask any client wearing contact lenses to remove them. Provide client with hair protection. DO NOT mix the powder and gel base until you are ready to proceed.

Application:

Cleansing:

1. Pre-cleanse with Vitamin Veil Cleanser, cleanse in circular motions, rinse thoroughly.
2. Cleanse with Lipid Replacing Cleanser, cleanse in circular motions, rinse thoroughly and pat skin dry.
3. Apply eye protection

Exfoliate (optional):

1. Follow the Enzyme protocol using Cocoa Enzyme every two weeks. The Oxygen Rx Treatment can be performed without the enzyme as often as once a week.

Completing Treatment:

1. Empty Oxygen Rx Powder 1b & Oxygen Gel Base 1a into portion cup.
2. Stir carefully and quickly until all powder is dissolved. The mixture will become white and foamy.
3. Begin to immediately apply mixture to the face in one even layer beginning at neck, applying evenly, completing at the forehead area. Avoid eye area and never apply to upper eye area.
4. Apply gloves. Lightly massage for 2 minutes.
5. DO NOT REMOVE PRODUCT. Using 3 to 5 sprays, 8"-10" from face, spray Enzyme Activator (labeled Step 2) on top of first step layer.
6. Lightly massage in small circular movements for 2 minutes.
7. Spray area with pH Equalizer (labeled Step 3).
8. Lightly massage for 1 minute.
9. Remove excess product with spatula.
10. Once more, spray area with pH Equalizer (labeled Step 3).
11. Lightly massage for 1 additional minute.
12. Remove all product using a cool moist towel.
13. Finish by spraying area with Citric Spray (labeled Step 4).
14. Pat dry. Remove gloves.
15. Complete by applying Vitamin C Reversal Serum, Post Peel Balm and Light Day Sunscreen Broad Spectrum-37.
