

SWiCH™

The SWiCH™ Dermal Rejuvenation System is a unique alternative to chemical peels that redefines how we treat age-damaged skin. SWiCH™ takes advantage of the skin's natural repair mechanism to help restore the skin's optimum appearance without injury to the skin. Reverse the signs of aging today and SWiCH™ on your skin's ability to repair itself from the inside out.

Client Preparation:

Have client read and sign consent form. Verbally go over contraindications with the client. Ask any client wearing contact lenses to remove them. Provide client with hair protection.

Application:

Cleansing:

1. Remove eye makeup with the Vitamin Veil Cleanser and rinse thoroughly.
2. Shake Hydrating Cleanser well. Place a small amount onto fingertips and apply to face and neck. With light pressure and circular movements gently cleanse, adding water as needed. Rinse thoroughly.

Prep:

1. Apply an even layer of EpiPrep on face and neck. Avoid immediate eye area and NEVER apply to upper eyelid.
2. Product should remain on the skin for 20 minutes for the client's first treatment, 25 minutes for the second and 30 minutes for all subsequent treatments. Treatment time should NEVER exceed 30 minutes.
3. Thoroughly remove all EPIPREP with damp room temperature towels. DO NOT USE HOT TOWELS!
4. Cleanse again with Hydrating Cleanser, removing all traces of EPIPREP. Rinse thoroughly and pat dry.

SWiCH Solution:

1. With a pipette, dispense 3ml of the SWiCH™ solution into a portion cup.
2. Using a fan brush, dip end into solution pressing off excess against side of cup. Carefully apply one even coat to face and neck. DO NOT go over an area more than once.
3. Time for 30 minutes.
4. DO NOT remove SWiCH solution as this is a "leave on" step.
5. Apply Fraction V evenly over treated area.

Completing Treatment:

1. Complete and detach SWiCH™ "At Home Care instructions."
2. Thoroughly review "At Home Care instructions" with client and provide client with the 3-day supply of Vitamin Veil Cleanser and the Fraction V solution.
3. Schedule a follow up visit for a Raspberry Enzyme treatment in 14 days.
4. Schedule next SWiCH treatment in 4 weeks.
